MIDLANDS STATE UNIVERSITY

NOTICE

TO : All motorists
FROM : The A/Registrar
DATE : 8 April 2019

Motorists Driving Around Midlands State University Campuses

The University notes with concern the behaviour of some drivers when approaching the University gates, particularly at the main entrance of the Main Campus and when driving within its campuses. Please note that University premises are always busy with students and staff going about their daily activities. You are therefore advised to exercise extreme caution and observe road signs for the safety of the University community.

Midlands State University would like to assure its valued stakeholders that the safety of its staff and students remains a top priority.

Let us work together to create and maintain a safe environment at our campuses.

Thank you

Mrs L Shava
